Hi, I'm Rohail Ahmad. I'm a multi-talented human with over 3 years of experience in a wide range of Front-end Web Development. Goal-oriented Front-end Web Developer and looking to build up my professional experience with Freelancing and Real Work. Armed with a deep sense of responsibility. Fueled by high energy levels and boundless enthusiasm, I'm never satisfied with just come with ideas. Instead, I have an almost impulsive need to act on them.

## Work Experience

---

### Front-end Web Developer

Software House - Islamabad

May 2021 to Present

I have been working here as a front-end web developer for the last 1 year. As a front-end web developer, I implement visual and interactive elements that users engage with through their web browser when using a web application. I create websites and applications using different technologies and web languages such as HTML, CSS, Tailwind CSS, JavaScript and React which allow users to access and interact with the site or app.
